A time for planting part 4

That the woman in today's Gospel is persistent about justice is fitting as we consider another form of planting. Our local Churches together have been working on a plan to set up a food bank here in Burnage, and we are at the point where a decision needs to be made, so a project should not just be a Church effort but must belong to all the Community, so I think that is the next port of call. This should allow the working party to gauge the local support, the willingness of volunteers and also the need. Recently food banks have been set up in Fallowfield and also Chorlton. Of course it does mean that the local Churches will have to make a commitment to help collect the food which is very specific. And the idea of giving a food parcel is to assist in certain circumstances not on a regular basis as it would not be good create dependency. I will keep you posted, about this project.

I have been picking up good vibes about opening the Parish Hall during the winter for people's warmth and company and enjoyment. I think we should initially try Thursdays to see what response we get. I hope it will gather its own momentum, whereby what occurs will come from the people who join in. Perhaps we could commence after Mass with tea & toast, the papers, scrabble, cards, music, good conversation, and being able to watch the occasional film, a good bowl of soup and an occasional tempting cake. I am conscious of the good work that goes on at our Monday Club, and the other Churches and community Centre activities, and do not want to set up something as a rival but rather it's my hope that people of any age could just drop in, whenever they like if for nothing else just a change! We'll begin moving on this in the next few weeks. Please do remember the Missions today. God Bless mjk

Sunday 20 October 2013 - Today is World Mission Sunday

Today the Pope asks Catholics all over the world to join together at Mass to pray, celebrate and care for the whole family of the Church. A big part of our Church (40%) still needs our help to survive and grow to self-sufficiency. Even more challenging is the fact that more than 50% of the world's people has never heard of Jesus and so don't know that they are loved unconditionally by God.

Through Missio, your prayers and donations will support the work of missionaries and the young Churches as they build schools, provide healthcare and share faith, often in difficult and dangerous circumstances, so that all may know God's love and live a life of dignity. The money collected today will go in its entirety to support mission projects worldwide. Please give what you can. Thank you for all your help.
