GOSPEL REFLECTION

In teaching the Beatitudes Jesus calls us to a new way of being and living. He reverses the usual expectations of what we think will bring us true joy in this world, reminding us that it is not what we have but rather who we are, how we live and how we relate to others that leads us to our ultimate satisfaction, knowing that our lives of faith can help in bringing about the kingdom of God. Experience tells us that when we get all the things we want, we can then want more. Real joy is in the gift of the blessedness that only God and the sharing of the things of God brings.
