MASS 7/ Creed 11;

Eucharistic Prayer 3(27)

How does a tree grow? The scientists can give us their answers, but the miracle of life on our earth, in all its dazzling complexity and variety is exactly that - a miracle. God is responsible for the miracle of Nature and growth - how, we don't know, but we accept God's guiding hand as a fact of our faith. This mysterious growth in Nature is used as a parable today, for the life of the Church and the Kingdom of God. Just as a seed, planted and watered, turns by miraculous processes into something different and bigger and beautiful, so the seed of the Gospel will grow into something else, by some means we can never fully understand. And that is the grace of God, encouraging, prompting and helping all men and women of good

will to swell the coming Kingdom of our God.

Today we celebrate "THE DAY FOR LIFE"; we recognize the beauty and value of all God's creation. We affirm the dignity of every single human being, and we remember especially today the terrible trade in human Trafficking, and pray that it will stop, and that those who profit from this hideous trade will be confounded and brought to justice and their victims know the joy of freedom. Here is a pray to share in honour of Our Lady of Sorrows, "We make our prayers through you to our Lord Jesus Christ. Mother of God, hear our cries for justice and consolation for the victims of human trafficking in our world of today. Mother of Christ, who stood at the foot of the cross, you are close to those who suffer: pray for us."

Pope Francis Tweet: Never tire of encountering Jesus in prayer, in listening to the Word of God, and in receiving the Eucharist.
