World Mission Sunday - 18th October 'The nations will walk in its light' (Rev 21:24). The goal of the Church's mission is to illumine all peoples with the light of the Gospel as they journey through history towards God, so that in Him they may reach their full potential and fulfilment. We should have a longing and a passion to illumine all peoples with the light of Christ that shines on the face of the Church, so that all may be gathered into the one human family, under God's loving fatherhood.'

Taken from Pope Benedict's Message for World Mission Sunday.
